## General Meetings

To make our Branch run smoothly, the branch is requiring more of our voting membership to participate in the General Meeting held the first Tuesday of every month. Currently the voting membership attending the General Meeting has been very low.

The General Membership is the Executive Committee's check and balance and the Executive Committee do not hold all the great ideas for the Branch. Your input is required and asked for as your Executive would like provide the best experience and service possible. The General Meeting is the most direct avenue to have your, ideas, questions, and concerns, put forward to the Executive and General Membership for direct or follow up action.

Please Support your Branch and come out the first Tuesday of every month at 7:30 pm.

**The next meeting is February 2<sup>nd</sup> 2016, in the Upper Hall at 7:30 pm. Sign in sheet is at the door.**
