President's Report

With spring just around the corner, March 20th, and COVID vaccines on their way I feel a lot more hopeful than I was last year.

The Branch is open again with all of the Yellow COVID-19 guidelines in place. It is sure nice to be able to talk to people face to face, tell a few jokes and spend some time together. We will be organizing a few Meat Draws in the near future. Stay tuned for upcoming dates. We will only be able to have 50 people in the building as per Ontario provincial guidelines; it will be first come, first serve basis. I would also like to thank all of you who are coming in to support us at this time.

On February 23, 2021 we had our in-person Executive Meeting. All business of the Branch is up to date. We cannot have a full General Meeting until all members are allowed to attend.

I am hoping that by April we will be able to have a General Meeting as we need to have elections. The current Executive had to hold their positions for two years due to the pandemic. We are short-handed by 2 Executive members on the Board. It is crucial that we maintain a full Executive moving forward. It is an excellent way to meet people, aid our veterans and our community. If you are interested we offer a wide range of training to help you learn about any

of the Standing Committee positions. It is also a great way to find out how Charitable organizations work. If you have any questions on how you can help, please contact me.

More to follow in my annual President's Report, until then be safe.

President Robert (Bob) Harrison

	Bursary Report	
---	-----------------------	---

Bursaries are down from last year; probably due to the fact that some students did not go back to class this year due to COVID-19. For those who did go you still have a very small window to apply for the \$750. Bursary. The application must be completed and at Ontario Command by Friday, March 26th.

If you have any questions please call me at 519-389-4806.

Bursary Chairman

On St. Patricks Day
I pretend to be Irish,
just like on Christmas
I pretend to be good.

A woman on the phone to her friend; I feel like my body has gotten totally out of shape, so I got my doctor's permission to join a fitness club and start exercising.... I decided to take an aerobics class for seniors. I bent, twisted, gyrated, jumped up and down, and perspired for an hour. But, by the time I got my leotards on, the class was over.

Hall Rentals

NOTE: Hall rentals have been suspended until further notice.

Once this COVID-19 pandemic is over we look forward to you booking our facility for your future social events.

Special consideration is given to the fee schedule when renting to non-profit organizations.

	Membership	
---	-------------------	---

Membership is quieting down this time of year so not a lot to report. Since we have been closed for so long we decided to mail out your 2021 membership stickers and/or cards. Anyone that has paid their 2021 membership dues should expect their renewal stickers to be in the mail. We have received a few letters back stating we have the wrong address. If you have changed your address in the past 2 years, please send us a note (by email is acceptable) with your new address. It is important to us to make sure we have your correct address.

If you have not renewed your 2021 membership please consider doing that. You can make your payment:

1. On-line by going to legion.ca on the computer
2. Come into the Branch when we are open (3 – 7 PM Monday to Saturday)
3. Contact me at dankelly@bmts.com to make other arrangements.

Looking forward to seeing you at the Branch sometime soon.

Youth Education

Well, this time last year I was reporting to you on our Annual Public Speaking Competition. As you know the competition was cancelled this year due to safety concerns with the COVID-19 Pandemic.

When I think about the Youth Public Speaking Competition I have my own school days memories, I remember nervously standing on the stage at Branch 18 no regards to placing I just wanted to remember my speech. I do recall the topic of my speech was on the poem "In Flanders Fields".

Last year a school Office Manager shared with me that she had fond memories of her children entering our competition. On the day of the 2020 competition one of our valued volunteer judges mentioned that being in the hall she was recalling her own days of entering Branch 340s public speaking competitions. She was delighted to be part of the tradition by being present as a judge.

So what are your memories of the Legion Public Speaking Competitions?

As an update to the Remembrance Poster & Literary Competitions the following overall First Place winning entries from our Branch Competition were submitted to the Zone C-4 Level:

Primary Colour Poster - Will Conley	NorthPort Elementary School
Primary Black/White Poster - Brock Harrison	NorthPort Elementary School
Junior Colour Poster - Parisa Akhunjee.	NorthPort Elementary School
Junior Black/White Poster - Mykenzie Wolfe.	NorthPort Elementary School
Intermediate Colour Poster - Madeleine Steele	Saugeen District Senior School
Intermediate Black/White Poster - Kira Ferris.	Saugeen District Senior School
Junior Poem - Ansh Kaul.	Saugeen District Senior School
Intermediate Poem	(To date No Media Release received)

The following entries placed at the Zone C-4 Competition:

Primary Black/White Poster - Brock Harrison (Third Place)
Junior Colour Poster - Parisa Akhunjee (First Place*)
Junior Black/White Poster - Mykenzie Wolfe (First Place*)
Intermediate Colour Poster - Madeleine Steel (Third Place)

Two entries* will be representing Branch 340 in the District C Competition Level - Parisa Akhunjee's Junior Colour Poster and Mykenzie Wolfe's Junior Black/White Poster.

A huge thank you is extended to the students who entered our 2020 Branch 340 Remembrance Poster & Literary Competition. Remembering is what the competition is all about which the schools, teachers, parents/guardians and especially the students honoured with their participation even during the challenges of a pandemic. Joint e-Training for Branch and LA Members
February 20 2021

As a follow up to the refresher training article on the special relationship that exists between Branch and LA Members last month, this article will look at the ways that the Branch and the Ladies Auxiliary interact, especially focusing on the overseeing responsibilities of the Branch General Membership. Each has its own Charter, however since the full title of the LA is The Ladies Auxiliary To The Branch, then should the Branch Charter ever be relinquished or rescinded then the Ladies Auxiliary Charter will have to automatically be ceded also since the LA is under the jurisdiction of the legal entity the Branch itself and therefore subject to certain limitations.

While the members of the two organizations work alongside each other in harmony and respect to support the Branch, the Branch General Membership has specific responsibilities

according to The General By-Laws of the Ontario Provincial Command. The Branch approves both the LA Charter and By-Laws and any expenditure over \$500. It receives a copy of the LA Audited Financial Statements yearly and can appoint auditors and also can request copies of any minutes of the Ladies Auxiliary meetings, though in practice this rarely needs to happen as the LA Liaison provides communication.

Conversely the Ladies Auxiliary has no jurisdiction over the Branch so it is unable to restrict Branch members in their operations. For example, even though the LA main business area is the kitchen, they are not able to pass a motion to exclude Branch members from using it as it belongs to the Branch. Usually, though, it is the Ladies Auxiliary members who do the majority of the catering providing their delicious meals for most all occasions. Always a delight to have. The Presidents oversee their respective areas and keep each other informed. Should a disagreement arise it is their job to settle it amicably. If a disagreement is unable to be settled this way then the Branch President appoints a committee of three Branch members, appointing one a chairperson, and asks the Ladies Auxiliary President to appoint two further LA members. The committee investigates the disagreement and reports its findings, conclusions and recommendations to the Branch Executive which then reports to the Branch General Membership for approval.

A more formal process to settle individual complaints is Article III, a legal procedure that is administered by the Branch President on behalf of either the Branch or Ladies Auxiliary on receipt of a written complaint along with a \$100 fee. It has to be lodged correctly with the Branch Secretary according to the procedure laid out in The General By-Laws of The Royal Canadian Legion. A complaint can only be lodged by and against members of their own organization, although it is possible for someone to be a member of both. In that instance any resolution will apply to both the Branch and LA.

With the lockdown over at the time of writing this we can all look forward to resuming normal operations, albeit under certain restrictions still, and the continuance of the close working relationship that exists between the Branch and the Ladies Auxiliary members including the holding of a joint meeting. It is an excellent time to show and verbalize to each other some appreciation for all the hard work and dedication that goes on year after year by both members.

Thank you everyone for your continuing efforts and good luck in the coming weeks. Stay safe and well.

Our Branches could not exist and accomplish the important work they do without your tireless and selfless devotion of the Branch and Ladies Auxiliary members working together.

Yours in Comradeship,

Zone C-4 Commander Kathryn Eastwood
Zone C-4 LA Commander Marg Smith

Everyone is Welcome

My Mind is Gone

"Oh God," sighed the wife one morning, "I'm convinced my mind is almost completely gone!"

Her husband looked up from the newspaper and commented, "I'm not surprised: You've been giving me a piece of it every day for twenty years!"

Branch 340 Ladies Auxiliary

Happy St. Patrick's Day.

Greetings from Branch 340 Ladies Auxiliary.

It's hard to believe that Spring is near with all the snow we still have on the ground.

Branch 340 LA have funds available in our bank account and 4 of our Executive conducted a Zoom meeting to determine who we could donate to. We were therefore able to give donations to local charities including Provincial Bursary, Provincial Charitable Foundation, hospitals, local school activities, veteran organizations and others.

Currently our region is in the Yellow (Protect) Zone which means reopening of businesses which is good for our local economy. This is great news for our region but Provincial Command is still not allowing any meetings/activities for us. So, basically, we are still in shut down until further notice from them. It will be wonderful to get back to serving our community with our meeting/function catering services. We all miss serving you.

We have 4 vacancies' on our Executive that need to be filled, please let us know if you would be interested in serving in this capacity.

The Miracle of Morning

I thought I'd awaken to a world in mourning.
Heavy clouds crowding, a society storming.
But there's something different on this golden morning.
Something magical in the sunlight, wide and warming.
I see a dad with a stroller taking a jog
Across the street, a bright-eyed girl chases her dog.
A grandma on a porch fingers her rosaries.
She grins as her young neighbor brings her groceries.

While we might feel small, separate and all alone.
Our people have never been more closely tethered.
The question isn't if we will weather this unknown,
But how we will weather this unknown together.
So on this meaningful morn, we mourn and we mend.

Like light, we can't be broken, even when we bend.
As one, we will defeat both despair and disease.
We stand with healthcare heroes and all employees;
With families, libraries, schools, waiters, artists;
Businesses, restaurants, and hospitals hit hardest.

We ignite not in the light, but I lack thereof.
For it is in loss that we truly learn to love.
In this chaos, we will discover clarity.
In suffering, we must find solidarity.

For it's our grief that gives us our gratitude.
Shows us how to find hope, if we ever lose it.
So ensure that this ache wasn't endured in vain:
Do not ignore the pain. Give it purpose. Use it.

Read children's books, dance alone to DJ music.
Know that this distance will make our hearts grow fonder.
From a wave of woes our world will emerge stronger.

We'll observe how the burden braved by humankind.
Are also the moments that make us humans kind;
Let every dawn find us courageous, brought closer;

Heeding the light before the fight is over.
When this ends, we'll smile sweetly, finally seeing
In testing times. We became the best of beings.

By Youth Poet Laureate Amanda Gorman.
Stay safe everyone.

	<p style="text-align: center;">International Women's Day Monday, March 8, 2021</p>	
---	---	---

The global theme for International Women's Day (IWD) 2021 is "Women in Leadership: Achieving an equal future in a COVID-19 World". As cited by the online source unworn.org. The theme is intended to Celebrate the tremendous efforts by women and girls around the world in shaping a more equal future.

International Women's Day is a global day belonging to all women & girls which has been celebrated for over a century by over a million of individuals. On this day we celebrate by recognizing the social, cultural, economic, and political achievements and raising the awareness of the work left to be done. As Cited by CFC-swc.gc.ca

Purple is the colour to symbolize IWD so consider putting your purple on. Some say that the early suffragettes would safely wear a small sample of the colour. Purple ribbons would adorn their hair, decorate their hats or woven into a brooch to identify themselves to each other.

March 8th is a day to honour the strong powerful Women & Girls in your life.

Conway Twitty....Is that Really You....

A young pastor moved to town and decided he would go around and introduce himself to the new congregation. He rang the first door bell and a lady came to the door. She stared at him as he introduced himself. She said, "I can't believe how much you look like Conway Twitty, the country music singer."

He replied, "Yes, ma'am, I hear that a lot."

He went to the next house and the next, and every lady that came to the door said the same thing—that he looked like Conway Twitty.

At the last house, a shapely young lady came to the door with a towel around her. He started to introduce himself, but she loosened her towel, threw her arms in the air, and screamed, "Conway Twitty!"

The pastor stood there, stunned. Then he said, "Hello, Darling!"

Rest Your Mind

I know you have been laying awake at night wondering why baby diapers have brand names such as "Luvs", "Huggies," and "Pampers", while undergarments for old people are called "Depends".

Well here is the low down on the whole thing.

When babies crap in their pants, people are still gonna Luv'em, Hug'em and Pamper' em. When old people crap in their pants, it "Depends" on who's in the will!

Glad I got that straightened out so you can rest your mind.

A wife was making a breakfast of fried eggs for her husband. Suddenly, her husband burst into the kitchen. 'Careful,' he said, 'CAREFUL! Put in some more butter! Oh my gosh! You're cooking too many at once. TOO MANY! Turn them! TURN THEM NOW! We need more butter. Oh my gosh! WHERE are we going to get MORE BUTTER? They're going to STICK! Careful. CAREFUL! I said be CAREFUL! You NEVER listen to me when you're cooking! Never! Turn them! Hurry up! Are you CRAZY? Have you LOST your mind? Don't forget to salt them. You know you always forget to salt them. Use the salt. USE THE SALT! THE SALT!'

The wife stared at him. 'What in the world is wrong with you? You think I don't know how to fry a couple of eggs?' The husband calmly replied, 'I just wanted to show you what it feels like when I'm driving.'
