### President's Report

After being closed for another month I believe there is light at the end of the tunnel. With 30% of the population fully vaccinated and over 75% with the first dose surely we will be able to open soon and get back to visits with our fellow comrades in our Branch.

All Branch business has been taken care of and all of our minutes and finances are up to date.

As you may have noticed there is siding missing on the front gable of our building. This will be replaced as soon as the back-ordered siding comes in.

The Cenotaph will be getting new benches this summer as the old ones are really showing their age. The Branch has received 2 old benches from the Cenotaph and they have been placed at the back of our building for our use.

A group of Northport Elementary students entered the video competition for our Remembrance Day this past November. This video went on to place 3<sup>rd</sup> in Ontario and details can be found under the Youth Education report further in this bulletin. The students and their teacher were presented with the certificate from Ontario Command and prize winning cheque.

I thank the students for a job well done and to Patty Kelly, Youth Education Chairman, for looking after the student competitions during Remembrance Day.

I hope you are all have a safe, happy and healthy. Enjoy the beautiful summer weather and hope to see you soon.

President Robert (Bob) Harrison

## Honours & Awards

Recognizing valued members for their contributions at our Legion is an important part of the Honours & Awards Chair.

When you nominate volunteer members, based on their efforts of ensuring our Branch functions continue, we build strong and continuous relationships, and we build a stronger Branch.

If you know anyone whom you feel should be shown appreciation, please contact me with this members particulars and confidentially the H&A Committee will evaluate the nomination.

## Leadership Development

Volunteers are an integral part in the daily operations of running a Legion. As the Executive members decide to move on to other things it is essential that we replace them.

The Royal Canadian Legion offers great training for our members on all aspects of our Branch. I think we offer the best training of any service club out there. We offer training seminars and workshops for such things as financing and business operations or how to run charitable events such as Poppy. This is all very valuable information for you not only from a Branch perspective but for your own personal life or business. All of this information is offered free of charge. Due to, be it age or other family matters, we must replace members of the Executive to maintain the required amount of committee members as per our Branch Regulations. As of right now we are 2 short on the Executive and have members who have wanted to move on but due to COVID they have generously remained on until we can have an election. It is also to be noted when an Executive is short of members that the President can appoint a new member without an election.

The Executive of Branch 340 needs your help. So when this COVID pandemic has passed please feel free to ask me or any one of the executive positions about how we can make it all work. I have never regretted being a member of the Executive Committee.

I have met and made friends from all levels from Branch, Zone, District and all over Ontario and across Canada. We all want the same thing and that is to make a better place for our veterans and our community as a whole.

So if you would to become a part of Canada's largest charitable organization and meet new friends and have some fun doing it please contact me or any of the present Executive members.

Thank you for your consideration.

President Robert (Bob) Harrison  
bnrshow@eastlink.ca

## Poppy

Again, due to the COVID-19 shutdown I have nothing new to report but it remains that our Veterans' needs are a year round endeavour and this year's Poppy Campaign success will mean that more Funds are available to be used to address their most urgent needs. We appreciate any donations made throughout the year. Each year we have Veterans and projects that need assistance.

As always, if any member is aware of any veteran, whether a Legion member or not, who may need assistance, please do not hesitate to contact me or Mike Hobson, our Branch Service Officer who can contact the veteran directly to assess any support that may be required.

With the limitations put on us due to the COVID-19 Pandemic, we will look forward to seeing you, our members and friends, at what limited events we are able to participate in over the upcoming months. In particular, our Friday evening get-together's at the Legion when allowed provide us with some social interaction as we continue to strive to assist and comfort our Veterans who have served us so well!

## Veteran Services

Your Royal Canadian Legion is committed to making a difference in the lives of Veterans and their families, providing essential services in our communities, and remembering the men and women who sacrificed for our country.

Fairway: An unfamiliar tract of closely mowed grass running from the tee to the green. Your ball is usually found immediately to the left or right of it.

The man who takes up golf to get his mind off his work soon takes up work to get his mind off golf.

James was playing a round of golf with the club pro one day and after 18 holes they went into the clubhouse. James asked the pro: "What do you think of my game?"

The pro replied: "You should shorten your clubs by 1 inch."

James asked if the pro thought this would help his game.  
To which the pro said, "No! It will help them fit in the trash can!"

## Youth Education

Finally, just in time before the end of the school year we were able to recognize some creative local students. A provincial level award was presented to students from Northport Elementary School. A small ambitious group of students showed their respect by producing an award winning memorable video. Their efforts were rewarded with Third Place in the Junior Division of the Royal Canadian Legion, Ontario Remembrance Day Video Contest.

Congratulations are extended to everyone involved in the making of this video. I encourage all Branch 340 members to click on the link below to watch their video.

*Last fall, a talented group of grade 6 Northport students wrote, produced, starred in, filmed and edited a video for the Royal Canadian Legion Remembrance Day Video Competition. The students independently took on the project, spending many recesses and after school hours working on their video. The result was 3rd place in Ontario. Recently, President Bob Harrison from the Royal Canadian Legion Branch 340 presented the students Zander Alpaugh, Zuhayr Abbas, Shrey Desai, Emma Redmond and Mya Downey with their \$150 prize as well as a certificate for the students and their teacher, Ms. Andrea Anions, on behalf of the Royal Canadian Legion Ontario Provincial Command. Congratulations Zander, Zuhayr, Shrey, Emma and Mya, Northport is proud of you!*

A couple were shopping. The shopping centre was packed and as the wife walked around she discover that her husband was nowhere to be seen.

She was quite upset because they had a lot to do, and hence she became so worried that she called him on her mobile phone to ask him where he was.

In a quiet voice he said, "Do you remember the jewelers we went into about five years ago, where you fell in love with that diamond necklace that we couldn't afford, and I told you that I would get it for you one day?"

The wife choked up and start to cry and said, "yes, I do remember that shop."  
He replied, "Well, I am in the pub next door."

## **AIR CADETS**

### **340 (Griffin) Squadron, Port Elgin**

Summer greetings from the Royal Canadian #340 Griffin Air Cadet Squadron.

The Cadets held their 42<sup>nd</sup> Annual Review via Zoom on Tuesday June 15, 2021 at 7:00 pm. The evening program emcee was 2Lt. Moiken Penner (#340 Cadet Supply Officer) where we began with the Canadian National Anthem and formal introduction of Officers & guests. Family and friends of the squadron were invited to log into the meeting and listen to the year's end completion of awards as well as many virtual displays presented by individual Cadets. The review concluded with God Save the Queen and special thanks to 2Lt. Penner for an excellent presentation.

Captain Emmanuel Ezechukwu (EZEE) was this year's 'Reviewing Officer' and he expressed hope that the future enables the #340 Squad to be together soon so that he may look forward to a formal visit. In the Captain's words, "42 years is a lot to be proud of in growing this squadron and the Cadets need to challenge themselves to learn new skill sets". The Motto of the Squadron is 'To Learn, To Serve and To Advance' and apply these skills to give back to their community and Country.

Sponsoring Committee Chair, Rudresh Pandya is very proud of the Squadron and thankful to the many sponsors and parents for the continued support and wishes all the very best for the upcoming year.

Provincial Air Cadet League Representative, Mrs. Roxanne Schwandt thanked Capt. Ezechukwu for being part of the annual review and wished the entire Squadron congratulations on the completion of the year. "Well done Cadets for hanging in there start rebuilding the Squadron and grow a team".

Commanding Officer, Captain Robert Herborth congratulated the Cadets on their perseverance this past year and thanked all parents for their continued support during these trying times. Capt. Herborth as well as the entire Griffin Squadron would like to extend an enormous 'THANK YOU' to Royal Canadian Legion Branches #340 Port Elgin, #155 Southampton and #295 Paisley for the continued financial support to the Squadron and wishes everyone a safe and healthy summer.

The Cadets are now on summer leave until they reconvene in September (hopefully in person). Summer camp instructional programs have been offered at different intervals via Zoom for qualifying Cadets and some are looking forward to these opportunities.

As Liaison to the Squadron, it has certainly been another challenging year under pandemic restrictions yet; the Squadron has done their best in perseverance and will continue their training in the fall session. I would like to personally thank the Squadron for the volunteer opportunity to the 'Liaison position' and look forward to reconvening with the Squadron in the fall.

The Eby family wishes everyone a warm, happy, healthy and very safe summer season!

In Comradeship,

Cde. Elizabeth Eby, Liaison  
#340 RCACS

Two robins were sitting in a tree. "I'm really hungry," said the first one. "Me too," said the second. Let's fly down and find some lunch." They flew to the ground and found a nice plot of plowed ground full of worms. They ate and ate and ate and ate 'til they could eat no more.

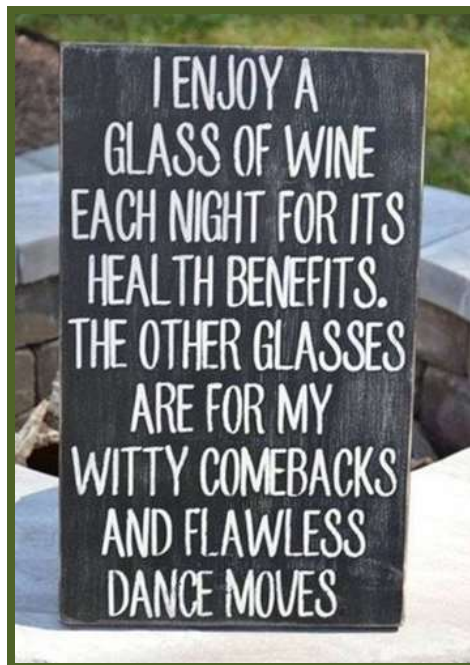

"I'm so full I don't think I can fly back up to the tree," said the first one.

"Me either. Let's just lay here and bask in the warm sun," said the second.

"O.K." said the first.

They plopped down, basking in the sun.

No sooner than they had fallen asleep, a big fat tom cat snuck up and gobbled them up. As he sat washing his face after his meal, he thought, "I love baskin' robins."

## I AM CANADIAN

I'm not a lumberjack, or a fur trader... And I don't live in an igloo or  
eat blubber, or own a dog sled...

And I don't know Jimmy, Sally or Suzy from Canada

I have a Prime Minister, not a President.  
I speak English and French, NOT American.  
And I pronounce it 'ABOUT' NOT "a BOOT".

I can proudly sew my country's flag on my backpack.  
I believe in peace keeping, NOT policing,  
DIVERSITY, NOT assimilation,  
AND THAT THE BEAVER IS A TRULY PROUD AND NOBEL ANIMAL.  
A TOUQUE IS A HAT,  
A CHESTFIELD IS A COUCH,  
AND IT IS PRONOUNCED "ZED" NOT "ZEE" 'ZED'

After they went into the locker room, another golfer who had heard the old guys talking about their game went to the pro and said, "I've been playing golf for a long time and thought I knew all the terminology of the game, but what's a rider?"

The pro said, "A rider is when you hit the ball far enough to actually get in the golf cart and ride to it."

Golf is a game in which the slowest people in the world are those in front of you, and the fastest are those behind.

## Commander's Corner

As we start to enjoy a little more freedom this summer let our thoughts be with the families of those whose lives have been cut short by the effects of the devastating pandemic. We should never become complacent with liberty and life.

Our Deputy Zone Commander Kim White unfortunately had to step down last month for personal reasons and we are grateful for his four years of service and wish him well. I'm pleased to report that our new Deputy Zone Commander is Rob Butchart from Branch 295 Paisley and we welcome him to our team and to the representation of Paisley to our Zone Council. Seven out of twelve Branches have representation on there now and it brings much experience and knowledge.

Dominion Command and Ontario Command are in the process of making revisions to the Legion By-Laws and Manuals to include gender neutral terms, such as Chair instead of Chairman. Members should access and review information on the websites regularly. Pages will be able to be printed individually so whole documents will not need to be reprinted. Members are reminded that Membership information is only on the Dominion Command's Membership Portal and, while all members have to respect the Chain of Command i.e. member>Branch president>executive>zone>district>provincial>dominion and in reverse, when it comes to membership enquiries, members should by-pass it and contact Dominion Command.

Although Branches have been closed your Executive Committee has been active on behalf of the Branch and are now entering another year of service as General Meetings and Elections are still in abeyance. They deserve congratulations for keeping legion business going and doing everything they can to maintain their Branch and help it remain solvent. If you see them give them a fist bump and let them know how much you appreciate their hard work and dedication.

On a final positive note on July 6th the City of Toronto will be declaring The Year of The Poppy. Watch for details in the media. It will put the spotlight on the Legion and pay tribute to the sacrifice of so many who paid the price of freedom.

Have a great summer, stay safe and well and we hope to see you back in the Branches very soon.

Yours in Comradeship,  
Kathryn Eastwood  
Zone C-4 Commander

Once again this year, Port Elgin Legion Branch 340 laid a special wreath of remembrance at the Cenotaph in Port Elgin on Sunday June 6th, D-Day and flags flew at half-mast in tribute to those who 'paid the ultimate sacrifice'.

From the D-Day landings on June 6, 1944, through to the removal of the German Army at Falaise on August 21, Normandy marked the scene of some of Canada's most significant military feats of WWII.
